To Whom it May Concern:

It is my sincere pleasure to certify that Brandon Patricio is currently a senior student in the CTVA department at California State University Northridge. Him and his classmates: Janett Mendez, Desiree Ramos, Shirin Raja, Megan Wissner, Anna Darcy, Emma Real, and Joel Wicecarver are enrolled in my CTVA 442 course. This is a thesis course, in which my students are required to shoot this 20 minute short film in order to pass the course and graduate this coming May 19th, 2019. This group had some issues changing locations last minute, but they're unquestionably an exceptional team. if you can accommodate most of their permits, I'd deeply appreciate it.

His team is well beyond the course requirements in the quantity and quality of their project, putting in a lot of extra time in polishing their script, do all the pre-production work, and finding backup locations. They have distinguished from others by submitting an exceptionally well researched, developed, and interesting short story titled *The Last Hope*.

Sincerely,

Alessandro Jacchia
Professor and advisor of TV Production
